Office Memorandum

Sub: Status of CDDO Roll out

As per the directions of Secretary (Expenditure) in the meeting held on 13th November, 2017 all the CDDOs have to implement CDDO module of PFMS to make e-payment. Keeping in view, the CDDO module has been rolled out successfully in 1158 CDDOs as on 31st May, 2018. However, it has been observed that **some Ministries/ Departments are yet to complete implementation of CDDO functionality (status enclosed) though training to these Ministries/Departments have already been imparted (list enclosed)**. It is again requested that the Ministries/Departments must complete the roll out of CDDO Module at the earliest, as the target date of 31st March, 2018 has already elapsed.

It is also requested to inform the actual number of CDDOs under each Ministry/Department to be on boarded so that the CDDOs which are defunct or not to be on boarded can be excluded from the enclosed status report.

In case any Ministry/Department is facing any problem, with either capacity building or technical, can approach IT Division of CGA Office for guidance. It is once again requested to review the implementation of CDDO functionality at top priority.
