OFFICE MEMORANDUM

Subject – Comprehensive Training program for PAO users in Pension Module – reg.

The Pension module under PFMS is being continuously upgraded with new developments and enhancements in the existing functionalities for the end to end digitization of pension cases. Various new developments have been completed as per the guidelines of Form 6A introduced by Department of Pension & Pensioner's Welfare in Pension Module of PFMS.

2. Following functionalities have been developed and will be deployed live: -

(i) **Pension Authorities** - At present, Authorities of pensionary benefits are available under CAM reports after digital signature in e-PPO. The sanctions are then submitted from PAO (Pension) to DDO(Sanction) for bill generation process. Ink signed pensionary Authorities are also forwarded physically from PAO (Pension) to DDO.

Now, Authorities of pensionary benefits will be made available in Pension Module for verification and approval of DH, AAO & PAO either in favour of DDO or CPAO. Once approved, these authorities will be available under the '**Reports**' tab of the Pension Module. Following this, the authorities/e-PPO will be submitted from PAO (Pension) to either the DDO (Sanction) or CPAO as applicable.

Further, these authorities will be digitally signed by the PAO prior to submission to the DDO/CPAO, in line with the e-Bill Module. This functionality will be introduced in the next phase of development.

(ii) **Form 6A** - Multiple Co-Authorizations of Nominees for pension cases along with changes in PFMS Pension Forms and e-PPO.

(iii) Flow of documents enclosed with Form 6A from Bhavishya to PFMS to CPAO. Checklist page has been developed in Pension Module to review all the documents and further forwarding the same to CPAO.

(iv) **DSC reversion return flow of pension case from CPAO to PFMS** - Changes for Financial/Non-financial reasons for cases of DSC Reversion made available at PAO level.
