OFFICE MEMORANDUM

**Sub : Non-implementation of inter-ministry transfer orders of Sr.AOs/PAOs/AAOs**

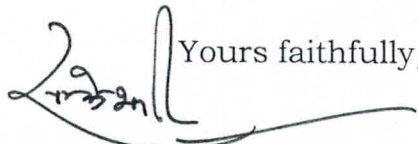

It has been observed in the past that the Pr. CCAs/CCAs/CAs is not implementing the Inter-ministry transfer orders in respect of Sr.AOs/PAOs/AAOs issued by this office at different intervals. Instead, the officers concerned use to send the representations of the individuals for cancellation of orders etc. to this office. Few orders have not been implemented for want of substitute.

In spite of repeated instructions issued in this regard, actions in some cases is still pending .

The CGA has taken a serious view on this issue and it has been decided that no representation against the orders will be considered. Also the reliving of the officials concerned should not be linked with the joining of substitute as the substitute will be provided as and when available.

It is, therefore, requested that all transfer orders should be implemented within a week time. The non-compliance of the orders will be reported to CGA.

It is expected that, now onward, all orders of past and future will be implemented within a week time.

 Yours faithfully,

**(Sakesh Prasad Singh)**

Dy. Controller General of Accounts
