4. Adverse balances under various heads and huge accumulations under 'Suspense heads' and "outstanding cheques" have been engaging the attention of the Government as well as the Audit. In order to check the increase in the number of Adverse balances and accumulation of balances under suspense heads and outstanding cheques it is necessary that these should be scrutinised in depth and action taken immediately to liquidate the same in the accounts for **2009-10** itself. **CCAs/CAs/Dy.CAs of the Ministry/Department and Accountants General are required to append an 'Action Taken Note' duly signed by him/her explaining therein the reasons of adverse balances and remedial measures taken and also action taken for liquidation of outstanding balances under Suspense heads along with the material for Statements No.13, 14, 14A, 15 and 16 of Finance Accounts.**

5. **Reasons for minus transactions.**

It has been seen in the past that one of the reasons for minus transactions as explained in the SCT/Material was due to rectification of misclassification in previous years. This is not acceptable to the Audit. The reasons of minus transactions wherever they occur, should be specific and year/years to which the misclassification pertains together with the relevant heads of Account should be clarified.

(v) The minor head 'Departmental Adjusting Account' under Major Head '8658-Suspense Accounts' became inoperative with effect from the accounts for 1982-83 in the books of departmentalised accounting authorities. It may, therefore, be ensured that no new accretions appear under this head during **2009-2010**, but old items could be cleared by operating this minor head. Action may please be taken to clear the outstanding balances at the end of **2008-09**.

(vii) The outstanding balances under various suspense minor heads below the Major Heads '8658 to 8663' as at the end of **2009-10** may be reviewed and suitable steps taken to clear all outstanding items/ to bring down the outstanding balances in due course. (x) There should normally be no minus transaction under any head except Suspense heads during the year. If there are any, full reasons therefor may be indicated.

(xi) The opening balances under Debt, Deposits and Remittances heads should agree with the respective closing balances shown in preceding year's statement. The rectification of misclassification relating to earlier years in the case of Debt, Deposits and Remittances heads of account detected as a result of reconciliation of balances or otherwise are required to be carried out through regular accounts in the manner prescribed in para 5.3.4 of Civil Accounts Manual. Correction to balances without any actual accounting adjustment which used to be carried out proforma prior to 1982-83, are now made through 'Prior Period Adjustment' as envisaged in para 5.15.3 of Civil Accounts Manual. This requirement may be kept in view while furnishing material for Statement No.13 of Union Government Finance Accounts, **2009-10**. It should be ensured that wherever a footnote was given during an earlier year, promising further action/ probe and remedial steps, this is actually done in the subsequent year; and, if not, the reasons therefor may be indicated.
