

# Vote of thanks

*Parul Gupta, ICAS (P)*

I am honoured to be given the opportunity to propose the vote of thanks to this esteemed gathering on the auspicious occasion of the civil accounts day.

The presentation on CPSMS presented the future vision of the service in a very captivating and vivid way which surely had helped the audience to have a feel of the future possibilities which the service entails in itself. The presentation on internal audit was very knowledgeable and thought provoking.

The keynote address by the CGA mirrored the advances and achievements of the service .but the vision and challenges expressed by him, will remain as guiding light for all of us to march forward. I, on the behalf of whole civil accounts fraternity, propose vote of thanks for CGA sir for his kind and thought provoking address. In the end, I would also like to thank the distinguished audience for participating in the event.

Thank you
