Instructions to candidates

Note:- The DO's and DON'Ts attached to these instructions will be treated as part of these instructions.

1	The schedule of examination and the exact address of the Examination Venue at which a candidate is to appear will be communicated by his Principal Chief Controller/Chief Controller/Controller of Accounts/displayed on the website of CGA.
2	The schedule of the Examination is final and will not ordinarily be changed.
3	The Head of Office in which the candidate is working has been asked to issue a Letter of Authority to the candidate. The Letter of Authority will contain, <i>inter alia</i> , the specimen signature of the candidate duly attested by the Head of his office. This is an important document. The candidate must preserve this document carefully for production at the time of appearing for the Examination. Failure to produce this letter at the time of each paper of the Examination may result in the candidate being debarred by the Presiding Officer from appearing in that paper.
4	In addition to the Letter of Authority, the candidate may also be required to produce his Identity Card issued by the office where the candidate is working. The candidate should, therefore, keep his Identity Card also available for production if and when required by the Presiding Officer. In case no identity card has been issued to the candidate, he/she should produce either the <i>Aadhar</i> Card or the Elector's Photo Identity Card or PAN Card or Driving Licence to be admitted in the examination.
5	Candidates will be allowed to enter the examination hall half an hour before the scheduled time of start of paper.
6	No candidate will be allowed to enter the examination hall half an hour after the examination begins.
7	No candidate will be allowed to leave the examination hall before the expiry of at least one half of the time allotted for the examination in the concerned Paper.
8	Candidates should write his/her index number only on the fly leaf of Main/Additional Answer Sheets. The candidate should not write his/her name, Ministry etc. anywhere in the answer sheet.
9	<u>Candidates should ensure that the answer books – Main/Additional/OMR and the Printed Forms supplied to them bear the signature of the Invigilator. Answer Books/OMR Answer Sheets without the signature of the Invigilator will be treated as invalid and will not be evaluated.</u>
10	Candidates should write the Serial Number of the Answer Books used by them in the space provided for this purpose in the Attendance Sheet. Serial Number of the Answer Book is printed on the right hand top corner of the front cover page.
11	The Presiding Officer or Officers authorized by him have been required to inspect all the books permitted to be used at the examination to ensure that they do not contain any proscribed material.
12	The candidates would use their own set of permissible books in the examination and will not be permitted to borrow books from other candidates. Notes of the nature of solutions to the questions or guide books will not be permitted. Bringing such material into the examination hall will be treated as resorting to unfair means.
13	All candidates must submit the books which they intend to use in answering the papers to the Presiding Officer for scrutiny half an hour before the commencement of the examination. These books will not be returned till the candidates are seated in the Examination Hall. Book(s) not

	submitted in time will not be allowed to be used by the candidate.
14	The candidate should write only the number of the question in the margin and the answers and solutions should be written in full against these. He/she should write on both sides of each sheet of the answer book. Any page on which rough work or detailed calculations are done should be marked as 'rough' and should be scored off by drawing a line through the blank page/space.
15	<u>Candidates should cancel the blank spaces/pages in the answer books by drawing a line across the blank space or page.</u>
16	<u>Candidates should write in the Table given on the front cover page of the Main Answer Book, the page number of the answer book (Main and Additional both) where answer to each question is written.</u>
17	<u>Candidates should write the Question Booklet Code issued to them at the appropriate space in the Main Answer Book. Similarly the serial number of the Answer Book used by them should be indicated in the Attendance Sheet.</u>
18	<u>Use of different inks or different pens for answering the questions in one subject is prohibited. If detected, such answer scripts may be treated as invalid and will not be evaluated. Candidates are advised to bring extra pens of the same kind to avoid use of pens/ink of different kinds.</u>
19	No paper other than the prescribed answer book or printed forms supplied with the answer books should be used for writing answer or rough work. No page of the answer books should be removed by the candidates on any account.
20	Candidates are prohibited from writing any type of appeal or request in the answer books. Serious view will be taken if any candidate records any such appeals or requests.
21	After completion of examination, the candidate should securely tie all the answer books/additional answer books and forms, if any, which he has used for answering the paper. All loose forms used by the candidates should be attached inside the answer books and not outside in their own interest to avoid any possibility of the forms/answer books getting detached during their subsequent handling.
22	No candidate will be permitted to take away any answer book and objective question booklet from the examination hall. The candidate will also not be allowed to take any copy of the question paper out of the examination hall until all the answer books have been collected.
23	Candidates found taking recourse to any unfair means in the examination hall shall render themselves liable to expulsion at the discretion of the Presiding Officer. This may also result in debarment from taking the rest of the examination and or from taking the AAO (Civil) Examination for 5 years.
24	<u>The Controller General of Accounts shall have the authority to cancel the candidature of those who are found guilty of misconduct at any stage of the examination and to debar such candidates from appearing in the exam for a period of five years, besides ordering initiation of disciplinary proceedings as may be required under relevant rules. The word 'misconduct' shall be interpreted broadly as any act of commission or omission which affects the fair conduct of exam and/or results into undue benefit to anyone. CANVASSING IN ANY MANNER WILL ALSO BE VIEWED AS MISCONDUCT.</u>
25	<u>Candidates will not be allowed use of any kind of electronic gadget i.e. mobile phone, tablet, pager, blue tooth or any other electronic device in the examination hall during the examination. Candidates may however use ordinary calculators. Any violation of these instructions would lead to debarment from the exam for 5 years and further action as deemed necessary.</u>
