Sir/Madam,

I am directed to state that the lists of candidates for the AAO (Civil) Examination to be conducted from 27th to 30th December 2017 and the Confirmatory Examination (II) of 2017 for Accountants to be held on 9th January 2018, showing the Papers in which they are appearing (indicated by the letter "Y") and the Centre allotted to them, have been uploaded on the website of this office. The lists of candidates pertaining to your Ministry/Department may be downloaded and checked for any discrepancies vis-à-vis the lists furnished by your office.

2. Against some of the Papers, the letter "P" has been indicated which indicates that the candidate has passed that Paper. It may please be noted that the status of passing of any any Paper(s) by the candidates has not been verified by this office in all cases. In case it is found at a later date that any candidate has not passed a particular Paper(s), necessary corrections in the list will be carried out by this office without further notice. Therefore the candidates may be advised to ensure that the Paper(s) against which the letter "P" has been indicated has/have been indeed cleared by them in an earlier examination.

Yours faithfully,

(R. R. Nair)
Sr. Accounts Officer (Exam).
